

π -Safari

In another excursion into the world of curiosity, creativity and learning, we introduce **π -Safari**, a summer camp for secondary school students with the idea of instilling an in depth conceptual understanding along with creating a vibrant community of kids with a shared passion for Math and Science. **π -Safari** is one of its kinds in the way that it inspires Scientific and Mathematical thinking by providing an intellectually stimulating environment to the kids without putting a damper on the fun! If you are mathematical-minded, scientifically driven and love to probe deeper, join us on our 6 day expedition to embrace the phenomena and forces of nature and discover new horizons amidst the forests and mountains. Go through <http://aavishkaar-palampur.org/pisafari> for more details.
