Student Application Form

Dear Math/Science Enthusiast,

We are so happy that you have decided to participate in our winter camp! Before we invite you on our campus for a fun dose of Math and Science, we need to know a few things about you. We wish to tell you that even though you are going to have a lot of fun at this camp, you should keep in mind that this is an intensive programme where you will be in the company of peers who love exploring new ideas in Math and Science. In this camp, you will be required to work in teams to solve multi-dimensional problems by interconnecting different topics of Science. Please reflect on your reasons to attend and your understanding of what you might gain from this camp. It will help us a lot to hear honest responses from you.

Love,

Team Aavishkaar

Questions:

Your Name: _____ You are a Girl/Boy _____

School that you go to: _____ Class _____ Age _____

Your E-mail Address: _____ Phone Number(Optional) _____

Your Residential Address: _____
